ALSEN PORTLAND CEMENT

WE HAVE JUST RECEIVED a large shipment of this celebrated Coment, which is the STRONGEST AND MOST SERVICEABLE CEMENT MADE, and will permit the admixture of a larger amount of sand gravel, with less loss of strength, than any other brand; it is therefore the most economical.

ALSEN has no equal in color, fineness and sand carrying capacity. It weighs less per bushel, measuring about 10 per cent more cement to a barrel than other brands, which very materially reduces its cost as compared with ther cements is therefore an economical cement to use, and specially adapted for fine concrete work.

The following tests, made in actual work by Col. D. C. Houston, Corps of Engineers, U. S. A., at the sea wall arounds; seven days, 600 pounds; thirty bor, has never been equalled by other cement. It is as follows: Tensile strength per square inch-One day,384 pound Governor's Island, New York Har For sidewalks it gives the best color and the most endurable wearing sur-
